

LITO 41, MILANO

## LITO 41

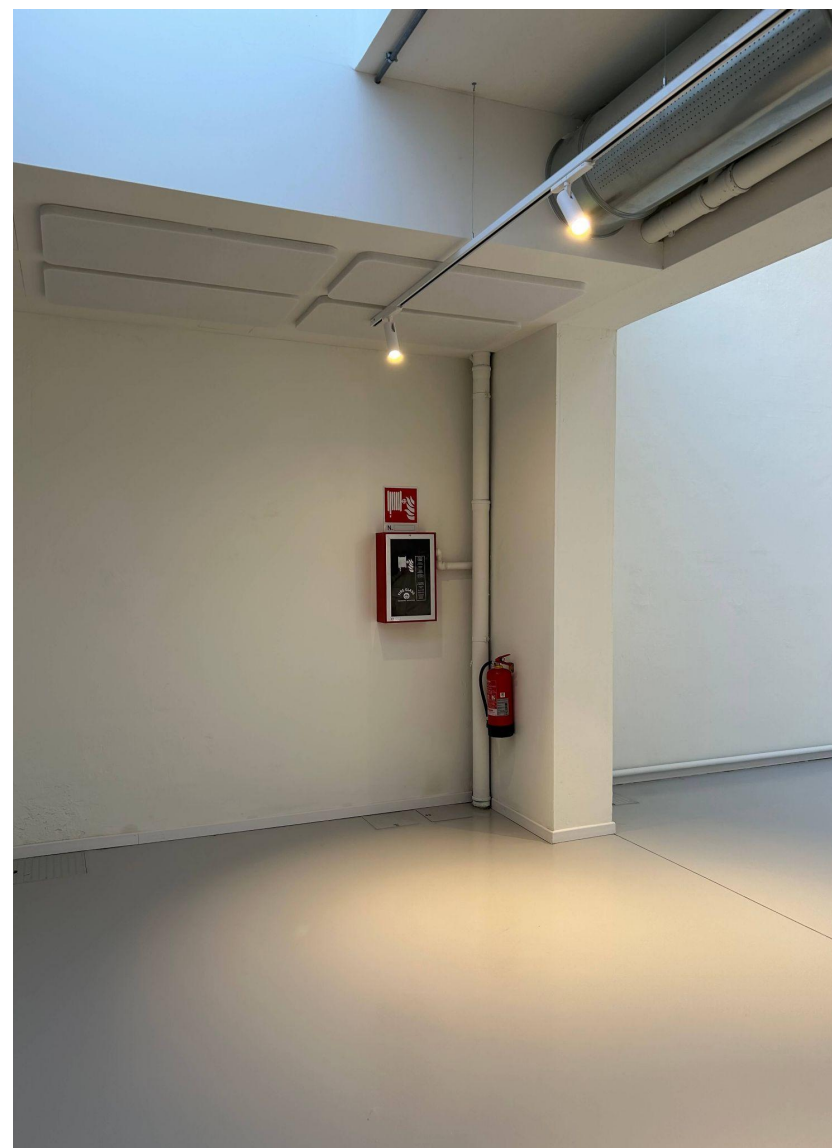

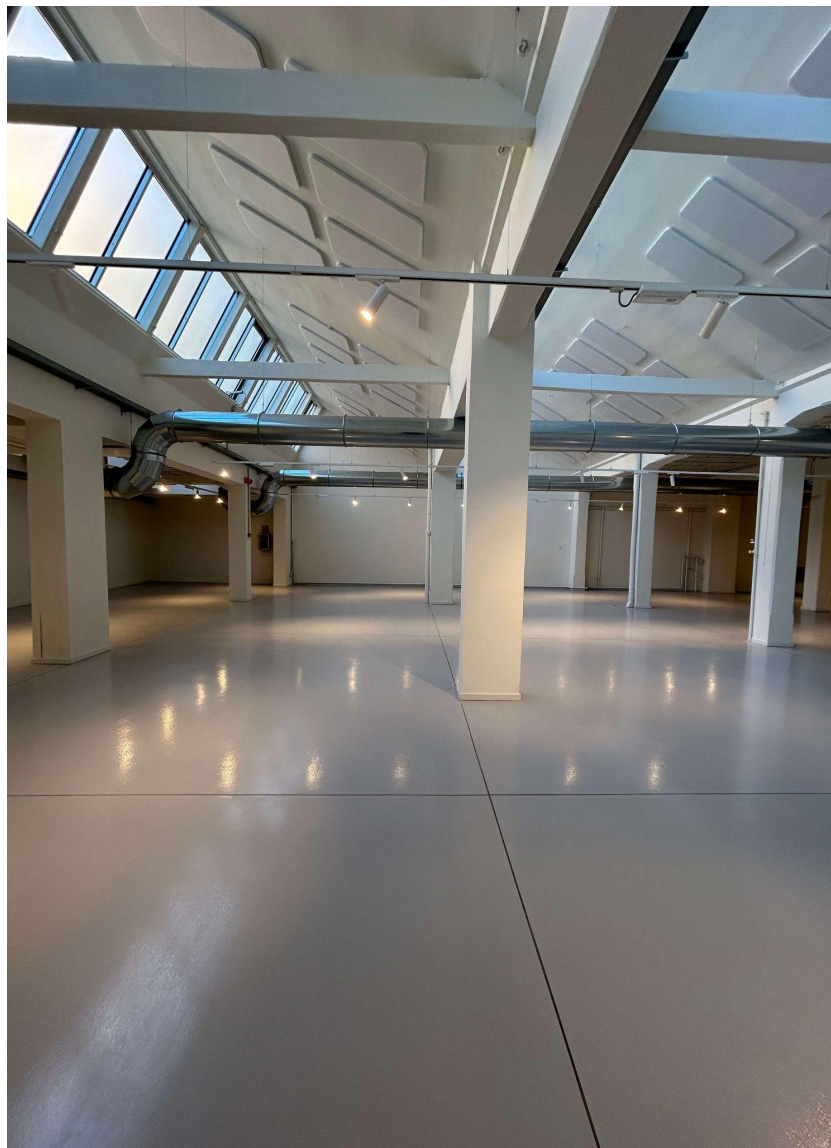

---

Lito 41 is a new venue located in a 1930s building that was once home to a historic graphic arts lithography studio. In the 1950s, 1960s and 1970s, it became a landmark for the best advertising campaigns of the most important brands of the time. The venue has been restored and adapted to modern requirements, becoming a flexible space capable of hosting a wide range of entertainment activities and events.
