CP278

Prime location

In the heart of Milan, inside the prestigious Palazzo Acerbi, CP278 opens on the first floor: a historic noble residence that preserves the charm of the great Italian architectural tradition intact.

Today it stands out as one of the most refined and spectacular locations for high-profile events, where elegance, history and atmosphere come together in an exclusive experience.

A symbol of Milanese history, with origins dating back to the 17th century, the building is characterised by its noble façade, perfectly preserved architectural details and reserved atmosphere.

Its central and strategic location allows easy access from anywhere in the city, just a few minutes' walk from the Duomo, Palazzo Reale, the State University and the Quadrilatero della Moda fashion district.
